One Less Errand. Way More Convenient.

You have enough to do each day. Save visits to the pharmacy by having your prescriptions sent right to your home.

Get some time back in your day by signing up for our Home Delivery program for your prescription medications. With Home Delivery, you can:

- › Order up to a three-month supply of your medicine.
- › Get free standard shipping.
- › Talk with a registered pharmacist 24 hours a day, seven days a week.
- › Place refills anytime online or by phone.

Switching to Home Delivery is Easy

Ask your doctor for two prescriptions: One for a short-term supply (for instance, 30 days) to fill at a participating retail pharmacy, and one for a three-month supply and any refills after that.

To refill a prescription, choose the method below that's most convenient for you. Having your Member ID card and prescription number from a current home delivery label or refill slip will make ordering a refill faster.

Home Delivery saves you time – generics save you money.

Lowering the price of your prescriptions is as simple as choosing generics over brand-name drugs. Generics are just as safe and effective as brand names, but cost a lot less. Ask your doctor if you can switch your brand name prescription for a generic.

Common Home Delivery Questions

Can I transfer my prescriptions?

Usually, yes. Most current prescriptions with remaining refills can be transferred. If you're not sure if your prescription is transferable, or if your prescription has refill limits, just give us a call at the phone number on the back of your Member ID card.

Is Home Delivery safe?

Yes. Your medications will arrive in secure, tamper-evident packaging.

You'll also get helpful information on refills, dosing safety and potential drug interactions, just as you would from your neighborhood pharmacy.

How do I know how much I have to pay?

Your orders will always include this information. And you can also find it by logging in to **[bcbst.com/rxplan](https://www.bcbst.com/rxplan)**.
