

More options, lower costs:

Smile more with Delta Dental

Delta Dental offers two provider networks to help cover your smile while keeping costs as low as possible. The **Delta Dental PPOSM Network** provides maximum cost savings, while the **Delta Dental Premier[®] Network**—which is the largest network in Tennessee—provides a safety net for additional access when you need it.

The Power of Two Networks

Delta Dental PPO	<ul style="list-style-type: none">→ More than 269,000 office locations nationwide→ Average savings of 30% on submitted fee→ No balance billing* and no paperwork to file
Delta Dental Premier	<ul style="list-style-type: none">→ More than 339,000 office locations nationwide→ Average savings of 18% on submitted fee→ No balance billing* and no paperwork to file
Out-of-Network	<ul style="list-style-type: none">→ May need to file your own claims→ May be balance billed*→ No discounts

Save when you see a network dentist*

Example: You have met your deductible and visit a dentist for a Basic Service, which your plan covers at 80%. The estimated charge for the service is \$120.[^]

Set by Delta Dental

NETWORK	ESTIMATED CHARGE	MAXIMUM ALLOWED FEES	AMOUNT DELTA DENTAL PAYS	AMOUNT YOU PAY
Delta Dental PPO	\$120	\$84 \times 80% =	\$67.20	\$16.80
Delta Dental Premier	\$120	\$113 \times 80% =	\$90.40	\$22.60
Out-of-Network Dentist	\$120	\$100 \times 80% =	\$80	\$40.00

Best Deal!

[^]This example is an estimate. Fees and reimbursements can vary by state.

20% + \$20 balance billing*

*What is balance billing?

Our network dentists agree to accept Maximums on what they charge for each service. An out-of-network dentist hasn't agreed to those Maximums. When you visit a Delta Dental network dentist, you won't have to pay the difference between what the dentist charges and what Delta Dental will pay, *aka Balance Billing*.
