Premier Whole Life Insurance

What is Whole Life Insurance?

Whole Life Insurance is an individual life insurance policy that pays a benefit to your beneficiary if you pass away. Your premium payments will stay the same for the life of the policy, as long as you meet the required premium payments. Plus, the policy builds cash value, which you can borrow against. Any unpaid loan would be subtracted from the benefit that is paid to your beneficiary.

Features of Premier Whole Life Insurance include:

- **Flexibility:** After the first policy year, the death benefit may be increased to meet your changing needs.
- **Payroll deduction:** Premiums are paid through convenient payroll deductions.
- **Keep your coverage:** Should you leave your current employer or retire, you can take your coverage with you and choose one of a number of convenient payment plans.

How can life insurance help?

Below are a few examples of how your life insurance benefit could be used:

- Pay off any remaining medical bills, funeral costs and debts
- Provide ongoing financial support to your family
- Keep your family in your home by paying off the mortgage
- Fund your children's education

Who is eligible for life insurance?

- **You**—all active team members working 20+ hours per week.
- **Your spouse**— 15 through 70 years. Coverage is available as long as the team member is eligible to apply, even if the team member chooses not to do so. If both you and your spouse are team members, you may elect to be covered with a team member or a spouse policy, but not both. Each person can only be covered by one policy.
- **Your children**— 15 days through 24 years. Coverage is available as long as the team member is eligible to apply, even if the team member chooses not to do so. Coverage is available to children and dependent grandchildren. Each child/grandchild must be equally insured. If both you and your spouse are covered under the policy as a team member, then only one, but not both, may cover the same children under this benefit. If the parent who is covering the children stops being insured as a team member than the other parent may apply for children's coverage.

What amount of coverage am I eligible for?

- **For you**—Eligible for up to \$500,000 for non-tobacco users and \$250,000 for tobacco users.*
- **For your spouse**—Eligible for up to \$500,000 for non-tobacco users and \$250,000 for tobacco users.*
- **For your children and/or grandchildren**—Eligible for \$12,500; \$15,000; \$20,000; or \$25,000 in coverage.

Note: A state specific life insurance application needs to be completed and submitted for any amount of coverage.

*Amounts applied for above the issue limits as detailed later in this document may require medical questions and/or underwriting.
