

# OTC Savings Drug List

Because many medications are available over the counter (OTC), your plan doesn't cover certain prescription allergy treatment drugs and stomach disorder drugs that have OTC alternatives unless you meet the conditions listed below.

OTC drugs cost significantly less than their prescription alternatives, but can be as effective. And you can purchase them without a prescription.

The chart below shows you available OTC alternatives to prescription drugs and drug categories your plan doesn't cover.

## Nonsedating Antihistamines (NSAs)

### Prescription Drugs

Claritin tablets      Claritin-D tablets      desloratadine

### OTC Alternatives

Alavert D tablets	Claritin – all products	loratadine – all products
