

## Provider-Administered Specialty Pharmacy Products

The provider-administered specialty drugs listed below require prior authorization. You may refer to the **Medical Policy Manual** [here](#). Providers may request a prior authorization review by one of the following methods:

- Call **1-800-924-7141**.
- Log in to **Availity**<sup>®</sup>.
  - Select the Tennessee region, and then select **“Payer Space.”**
  - Click the **“Authorization Submission/Review”** application.
  - Select **“Specialty Pharmacy.”**

Please note that some provider administered drugs may be excluded from coverage for Commercial and Marketplace members or be subject to additional state and/or federal coverage regulations. You may refer to the **Provider-Administered Medical Exclusions Policy** [here](#). To view the list of non-covered provider-administered drugs (**Excluded Provider-Administered Pharmacy Products List**), [click here](#).

All BCBST member health policies are NOT the same. Coverage of therapies highlighted in green vary by plan.

Some medications may require an inpatient authorization as well as a medication authorization. If an inpatient stay is needed, please fax the inpatient authorization request to Commercial Utilization Management at **1-866-558-0789** or call **1-800-924-7141**. Follow prompts to Prior Authorization, then select option 9.
