* When you receive services from a Nonparticipating Dentist, the percentages in this column indicate the portion of Delta Dental's Nonparticipating Dentist Fee that will be paid for those services. The Nonparticipating Dentist Fee may be less than what the dentist charges and you are responsible for that difference.

- Oral exams are payable twice per calendar year.
- Prophylaxes (cleanings) are payable twice per calendar year.
- People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or fluoride treatment. The patient should talk with his or her Dentist about treatment.
- Fluoride treatments are payable twice per calendar year for people age 18 and under.
- Space maintainers are payable once per area per lifetime for people age 14 and under.
- Bitewing X-rays are payable once per calendar year and full mouth X-rays (which include bitewing X-rays) or a panorex are payable once in any three-year period.
- Sealants are payable once per tooth per lifetime for first and second permanent molars for people age 15 and under. The surface must be free from decay and restorations.
- Composite resin (white) restorations are payable on all teeth, including posterior teeth.
- Implants and implant related services are payable once per tooth in any five-year period for people age 19 and older.
- People with special health care needs may be eligible for additional services including exams, hygiene visits, dental case management, and sedation/anesthesia. Special health care needs include any physical, developmental, mental, sensory, behavioral, cognitive, or emotional impairment or limiting condition that requires medical management, healthcare intervention, and/or use of specialized services or programs. The condition may be congenital, developmental, or acquired through disease, trauma, or environmental cause and may impose limitations in performing daily self-maintenance activities or substantial limitations in a major life activity.
